**International Conference on Artificial Intelligence and Speech Technology
(AIST 2019)**

The **International Conference on Artificial Intelligence and Speech Technology (AIST 2019)** was held on **November 14–15, 2019**, at **Indira Gandhi Delhi Technical University for Women (IGDTUW)**, New Delhi. Aimed at fostering cutting-edge research, the conference brought together academic researchers and industry professionals to explore advancements in Artificial Intelligence and Speech Technologies. It featured high-quality paper presentations, keynote talks, and tutorials on topics such as AI algorithms, machine learning, speech recognition, and text-to-speech synthesis. The event provided an engaging platform for knowledge exchange, with active participation from students, scholars, and experts, and recognized outstanding contributions through best paper awards. AIST 2019 successfully laid the foundation for continued collaboration and innovation in AI and speech-related domains.
